

Pick three items you think might be earthquake hazards in your classroom or home.

Item 1:

I think it is a hazard because...

One way to fix the hazard is...

Item 2:

I think it is a hazard because...

One way to fix the hazard is...

Item 3:

I think it is a hazard because...

One way to fix the hazard is...

To be better prepared for an earthquake, I will make an **emergency disaster kit** that contains:

- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____
- ☐ _____

Check the items off with your family as you add them to the kit!

» Remember to talk to your family about your earthquake disaster-preparedness plan!
Be sure every family member knows what to do when a major earthquake occurs.
