

Field Trip Logistics

Summer 2011 - Spring 2012

Please print this page for your reference – it is yours to keep.

Confirm that you have read and understand the guidelines below by signing the attached Field Trip Admission Form. Bring the completed form on the day of your visit to be admitted to the Academy.

Arriving at the Museum

- » **Parking & Unloading:** Cars may park on surface streets for a limited time or in the underground city garage. We do not validate parking. The bus loading/unloading zone is located at the front of the Academy. City parking for buses is available behind the Music Concourse Band Shell for a low fee.
- » **Entry:** Please have your Field Trip Admission Form completed. A Guest Services staff member will meet and direct your group to the appropriate line. Expect entry to take at least 10 minutes.

Behavior Expectations

- » **Student Reminders:** Stay with your chaperone and group at all times. Be respectful of the living animals and other visitors by walking, talking quietly, and not tapping on the glass. Do not eat or drink in the exhibits.
- » **Chaperone Reminders:** Stay with the students at all times and act as a role model.

Inside the Academy

- » **Reserved Programming:** Note that if you arrive late, we may or may not be able to accommodate your group. If you have pre-scheduled a Student Lab, Docent Preview, or Rock Program starting on or before 10:00am, an Academy Educator will meet your group in the Entrance Lobby. If you have reserved the 11:30am Student Lab or Rock Program, meet your Academy Educator on the Level 3 balcony directly past the Naturalist Center.
- » **Planetarium:** School groups may attend a Planetarium show only if they have a reservation. Please arrive approximately 15 minutes before your scheduled time in order to be seated.
- » **Daily Presentations:** Schedules can be obtained in the lobby on the day of your visit. If you decide to attend a presentation, we ask that you stay for the entire program (~15 minutes), as leaving disrupts the program for other visitors.
- » **Safety & Security:** For lost children or first aid, please go to the Security Office located near the Alligator Swamp or flag down the closest Security guard or Guest Services staff on the public floor.
- » **Lunches:** You may eat lunch outside in the Music Concourse, or in the Academy Gardens. No open food or drink is allowed on the exhibit floor, and storage for lunches is unavailable.
- » **Re-entry:** If anyone in the group wishes to leave the building and re-enter, they must get their hand stamped at the Guest Services Desk at the exit door. Students may not leave or enter the Academy without a teacher or chaperone.
- » **Cameras:** You may take pictures most places in the Academy. Please do not use a flash and do not take pictures at all where signs forbid it.
- » **Other Services:** For lost and found items, go to the Coat Check in the Entrance Lobby. An ATM is also located there. Wheel-chairs are available on a first-come, first-served basis for those in need. A family restroom is located on the main floor near the Swamp.
