

Planetarium Shows for School Groups

2022-2023 Academic Year

Planetarium seats are free for school groups, but must be reserved in advance! If you end up unable to make your field trip date, please be sure to cancel so we can offer those seats to others.

Invisible dates indicate that showtimes are not available to groups due to holidays, school breaks, and closures for Planetarium maintenance.

- > School groups line up 15 minutes before the scheduled show time.
- > Presentations to grades K-2 average 20 minutes.
- > Presentations to grades 3-12 average 35 minutes.

10:30am shows for the Rock Fund Program:

Exclusive to participating classes from San Francisco elementary schools

Sun, Moon, and Stars (1st Grade)

Motions of the Solar System (5th Grade)

10:30am shows for any schools:

Sun, Moon, and Stars (Grades K-2)

Motions of the Solar System (Grades 3-5)

Our Solar System and Beyond (Grades 6-8)

Habitat Earth (Grades 3-12)

Additional options not shown on this calendar:

Expedition Reef (Grades 3-12): 12:30pm throughout the school year

Big Astronomy (Grades 6-12): 11:30am exclusively on April 21-28, 2023

Seats for school groups are more limited in the 11:30am/12:30pm shows, which are also open to other museum guests, but you can request seats on your field trip application so we can reserve space for your students!
