Guidelines

- The Academy requires a signed Waiver of Liability form for each adult and each child attending a sleepover. For children, the Waiver must be signed by the child's parent or guardian. The Waiver of Liability must identify the adult who will be responsible for the child during the sleepover. Only original Waivers will be accepted; no faxes or copies. No one can be admitted without a completed Waiver.
- Children must be accompanied by the Adult responsible for them at all times.
- There are no in/out privileges during the sleepover. If you leave the sleepover for any reason before its conclusion, you may re-enter when the Academy re-opens the next day.
- Sleeping areas are available on a first-come, first-served basis. Areas may not be reserved prior to check-in, and sleeping spaces within a sleeping area cannot be reserved.
- Garage parking is included; bring your ticket with you for validation. Please note that there is no overnight street parking (as per Golden Gate Park regulations) and that the garage is not operated by the Academy.
- Smoking is not permitted in or around the Academy (and is prohibited in Golden Gate Park)
- Event schedule and pricing subject to change without prior notice.
