

Student Sustainability Action Plan

CALIFORNIA
ACADEMY OF
SCIENCES

Name: _____

Date: _____

Sustainability issue(s): Reducing my landfill waste

Specific Plans:

What will I do?

When will I do it?

Where will I do it?

How often will I do it?

Why is this plan important? What are the benefits?

What may get in the way of following this plan?

What can I do to get around these challenges? Who can help me?

What can I do to stay motivated to follow this plan?

How will I follow-up to see if I am following this plan?
